'Spiders From Mars' 2022

Sleight of Hand Cellars Syrah
Walla Walla Valley

97
POINTS

Deeply expressive and packed with character, the 2022 SOH Spiders from Mars Syrah is a bold yet refined take on the North Fork terroir. The nose is intensely savory, opening with aromas of smoked thyme, crushed black plums, olive brine, bacon fat, and wild brambleberries, accented by hints of flinty minerality and citrus peel. A core of dark fruit is lifted by a streak of salinity and vibrant acidity, giving the wine both depth and energy. The tannins are firm yet polished, framing flavors of black pepper, roasted coffee beans, and a whisper of saline. The finish is long and resonant, leaving behind notes of cocoa dust and dried lavender. A stunning, multidimensional Syrah that showcases both richness and finesse that will age for a decade or more with proper cellaring. Highly recommended and editor's choice.
